

**YOUR TRUSTED PARTNER IN
ELECTRICAL SUPPLY**

WHO WE ARE

Apex Power Electrical Supply and Solutions combines over 68 years of industry experience through the merger of Consolidated Parts (est. 1956) and All Industrial Electrical Supply (est. 2004). We provide expert support and reliable components for commercial and industrial electrical projects across North America.

Trusted by EPCs and installers, we deliver fast fulfillment, deep technical knowledge, and a strong commitment to renewable energy and grid resilience.

WHY APEX POWER

- ✓ **Proven Expertise:** Decades of experience supporting industries that demand reliable power systems.
- ✓ **Extensive Inventory:** Wide range of electrical components readily available.
- ✓ **Technical Support:** Expert guidance throughout your project.
- ✓ **Quality Focused:** Helping ensure your systems are safe, efficient, safe, and fully compliant with industry standards.
- ✓ **Customer-Centric Approach:** From consultation to execution, we're with you every step of the way.

**Trusted Experts in Electrical
Supply & Distribution**

OUR SOLUTIONS

Our four-step process is designed to drive the success of your renewable energy projects, making us the trusted partner for all your switchgear needs.

- 1 **Design and Takeoff Preparation**
 - Design build projects; from 0-30%.
 - Drawings reviewed for accuracy.
 - Takeoff for pre-specified projects.
 - Bill of material take off.
- 2 **Quotation and Supplier Coordination**
 - Identify suppliers for BOM.
 - Generate pricing/send RFQs.
 - Deliver quotation to customer.
- 3 **Order Processing and Logistics Management**
 - Full set of Submittals and Drawings.
 - Using our proprietary Project Management System, we manage your project from submittal to shipment.
 - We manage all material handling logistic requirements.
- 4 **Project Closeout and Final Review**
 - Confirm Invoicing.
 - O&M manual, warranty information, as built drawings.
 - Project team review.

OUR PARTNERS

Apex Power is an authorized dealer and trusted name in electrical supply since 1956. We carry inventory from the industry's top manufacturers and maintain deep relationships that help us source parts quickly and reliably. Our strong supplier network enables us to reduce lead times, keep your projects on schedule, and avoid costly delays.
